Re: Notification of Submittal of Documents  
San Diego Shipyard Sediment Site-South Site  
Waste Discharge Requirements and 401 Water Quality Certification Order No. R9-2013-0093  
Place ID No. 794466  
Geotracker Site ID No. T10000003580

Dear Mr. Gibson:

This letter has been prepared by the San Diego Bay Environmental Restoration Fund-South to provide notification of the submittal of final plans and reports required pursuant to the Remedial Action Plan (RAP) and the Mitigation Monitoring and Reporting Program (MMRP) to the San Diego Regional Water Quality Control Board (Water Board) on behalf of the National Steel and Shipbuilding Company (NASSCO) for the South Shipyard Site. The specific documents being provided to the Water Board include the following:

- MMRP-required documents:
  - Dredging Management Plan
  - Sediment Management Plan
  - Communication Plan
  - Contingency Plan
  - Traffic Control Plan
  - Hazardous Material Transportation Plan
  - Construction Stormwater Pollution Prevention Plan for S Lane
- RAP required documents:
  - Final Design: Basis of Design Memorandum, Plans, and Specifications
  - Project Schedule
  - Site-specific Health and Safety Plan
  - Demolition Plan

- Vessel Management Plan (included in the Communication Plan)
- Dredging and Offloading Work Plan (same as the Dredging Management Plan)
- Comprehensive Environmental Management Plan (includes the Environmental Protection Plan, Water Management and Treatment Plan, and the Cover Material Placement Plan)
- Construction Quality Control Plan
- Borrow Source Characterization
- Biological Assessment and Essential Fish Habitat Evaluation Report

These documents have been uploaded to Geotracker in compliance with the Water Board's Waste Discharge Requirements and 401 Water Quality Certification, Order No. R9-2013-0093, Section VIII D, for the San Diego Shipyard Sediment Site. In addition, we are also providing the details outlining the in-situ sampling procedures submitted to the landfill operator in application for pre-approval for land disposal (Letter to Landfill Regarding In-situ Pre-approval), as required.

Should there be any questions regarding this transmittal letter, please do not hesitate to contact me at 619-546-8377 ext. 103 or at [mpalmer@demaximis.com](mailto:mpalmer@demaximis.com).

Sincerely,

Michael A. Palmer  
Project Coordinator
