Re: Notification of Field Work  
San Diego Shipyards Sediment Site – South  
Cleanup and Abatement Order No. R9-2012-0024  
Geotracker Site ID: T10000003580

Dear Mr. Barker:

Submitted in compliance with the San Diego Shipyards Sediment Site for the California Regional Water Quality Control Board San Diego Region's (Water Board's) Cleanup and Abatement Order (CAO) No. R9-2012-0024 Section H(6), this letter has been prepared by Anchor QEA to provide notification of field work to the Water Board on behalf of the National Steel and Shipbuilding Company (NASSCO) for the South Shipyards Site. The following field work is planned in preparation for the start of construction:

- Eelgrass/Caulerpa survey, to be conducted on September 5, 2013
- Pre-construction baseline water quality monitoring activities, to be performed on September 13, 2013
- Pre-construction least tern and other special-status seabird and waterfowl monitoring activities, to be performed on September 13, 2013

Should there be any questions regarding this notification letter, please do not hesitate to contact me at 949.334.9646 or [dtempleton@anchorqea.com](mailto:dtempleton@anchorqea.com).

Sincerely,

A handwritten signature in black ink that reads "David Templeton". The signature is written in a cursive style with a long horizontal line extending from the top of the "D".
